

Mario Rudy Silalahi

Student

Hai, Im Mario Rudy Silalahi. 20 years old man who is currently studying as an informatics engineering student at IT Telkom Purwokerto. I am interested in the field of Website development, especially in the Front-end Development section so I study HTML CSS and JS and libraries such as ReactJS. I don't close myself off to new things and always try to adapt as quickly as possible.

 Purwokerto, Banyumas Regency, Central Java, Indonesia
